

School Solutions Network

The School Solutions Network equips communities to harness their pride and resources to support a school's unique needs — from new books to security hardware.

PROUDSOURCING : the connecting and harnessing of a community's pride, strengths and assets to forge stronger schools
| 'praüd-sòrs-iin|, verb

In an ever-evolving world faced with strained resources, growing needs and wide-ranging threats, **schools should not be alone** in the pursuit of safety, technology and financial support.
